Dear A C Marriott RBS

As a valued customer of Dolphin Trust GmbH we would like to thank you for choosing to place your funds with us for five years.

It has now been three years since your contract began with us and over this last year your funds have earned Interest of 14%. Since you have chosen our compound option, this 14% has been compounded onto your funds as outlined in your original contract.

### Summary:

The original amount of funds loaned to Dolphin Trust GmbH was £33,369.00

The current total of your funds to date is £48,144.26

You should receive a further 15% Interest per year on your funds in the next two coming years. This Interest will continue to be compounded. At the end of your nominated loan term your original capital plus any compounded Interest will be due to be paid out to you.

We will write to you again in 12 months' time to further summarise the performance of your funds with Dolphin Trust GmbH.

Kind Regards
