

15. Scope of our services

We provide administration and special projects services to trustees of Small Self Administered Schemes in order that they may perform their functions as Trustees. We do not give advice on the suitability or otherwise of transferring pensions held in the UK or Overseas to Small Self Administered Schemes. We do not give financial advice, you are recommended to speak to an Independent Financial Advisor who is authorised to give such advice prior to making any pension transfers or investments. Whilst we provide documentation services and we rely on our pension solicitor's documentation, we are not solicitors and therefore clients are recommended to obtain their own legal advice where appropriate regarding the documentation we supply to them.

By signing this agreement you confirm that you have read the terms of business and agree to be bound by these terms of business (All Trustees of the Scheme must sign this agreement).
