Dear Brad,

Y/E 5th April 2010

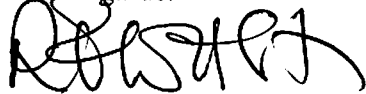

I enclose bank statements as requested and your completed questionnaire.

Please note that during the tax year I transferred all my personal shares in the following companies to AISSAS Ltd:

Like Magic Media Ltd	34%	Public Relations
Anaconda Investments Ltd	34%	Property Development
Anaconda BH Ltd	34%	Property Development
Trinity Land Developments	34%	Land Management

The shares have no market value but I transferred them in case any future value is attached to them, e.g sale of the company, so that the pension fund is able to maximise tax benefits.

Kind regards.

Ruth Elliott-Smith
