Dear Sir/ Madam

Policy Number: F46010/12597

Complaint reference: CMP/02/001/20112023399100

Following discussions with Deirdre Abram it appears we've delayed sending their funds to you, which may have had a detrimental effect on their pension.

We sent you £12,886.09 on 22 November 2023 which you should have had on 27 November 2023. However, we should have sent £12,527.44 on 25 August 2023, which you would have had on 30 August 2023.

I would be grateful if you could let me know the investment funds, unit price used, the number of units bought as well as the unit price and number of units Deirdre Abram could have bought if you had received the £12,527.44 from us on 30th August 2023.

Could you also let me know current bid and offer prices for the units.

If this isn't a unitised scheme, please could you let me know details of the investment and how much (if any) loss Deirdre Abram has incurred by way of pricing changes or investment returns based on if you had received £12,527.44 from us on 30th August 2023.

I've included a Loss Assessment Information Form for you to complete to assist us with assessing the loss.

Please send this information to me by email. My email address is yourcomplaint.life@dgaviva.com.

I appreciate your help but if you need anything else from me, please get in touch. My contact details are at the top of my letter.

Thank you...

My direct dial telephone number and address are given at the top of this letter if you need to get in touch.

Yours sincerely,

Catriona Goodwin
