Important update about Voicemail

We are making changes to how we offer our standard Voicemail. From 1st August 2019, if you have Voicemail activated on your account, we will charge 2p each time you dial '1571'.

You'll still be able to save 10 voicemails, and your saved messages will still last for 20 days. If you remove Voicemail from your account, any saved messages will be removed.
