Dear Faye,

Further to my email earlier today, I apologise as the accounts department has advised that the invoice for your annual administration for the Scheme is not settled by Direct Debit as previously stated, and therefore is still outstanding.

Can you please settle this invoice as soon as possible. Attached again for your convenience.

Failure to do so will result in us having no other option but to resign as Practitioner of your Scheme.

Kind regards,
Stacy Lunnon

Hi Faye,

Thank you for your email. Yes, this is fine.

If you can also provide us with the valuations of the scheme assets we can then submit the 2017 HMRC tax return once the annual administration fee is settled.

Kind regards,
Stacy Lunnon

Hi Stacy,

I have settled the outstanding invoice and am sorry it took longer than I intended. Please could we arrange for it to be done on direct debit in future?

I have attached the information for the scheme.

In addition to the Zopa funds, the scheme now owns a piece of land which was purchased for £50,000.

Yours,

Faye

Hi Faye,

I believe you tried to ring in connection with a letter you received from HMRC. This notice from HMRC is just an internal administration change. Pension Practitioner who is owned by The Practitioners Partnership LP is still trading and is still acting as Practitioner for the Scheme and so there are no changes to the day to day administration of the Scheme.

Thank you for settling our invoice and I confirm payment has been received.

Can you please advise how the Scheme purchase land for £50,000? We do not have access to the pension scheme bank account and would ask that you provide us with statements showing this purchase. We also require a completion statement for the purchase and the new land registry title deeds showing the pension scheme as the new registered owner of the land.

Any questions please let me know.

Kind regards,
Stacy Lunnon
