Over the next few months you may notice a change to the numbering of your statements. For each of the accounts you hold, the page numbering will start from page 1. The issue date at the top right hand corner will help you sequence your statements. Please be aware you may receive this message more than once.

Using your debit card in the UK and abroad

Barclays will charge you a 2.75% Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website.

On top of this, if you're getting cash over the counter at a bank abroad (including Barclays), or using an ATM other than a Barclays ATM or an ATM at a Global Alliance member bank, you'll also be charged a 2% Non-Sterling Cash Fee (minimum £1.50, maximum £4.50) and the ATM provider may apply other charges. From 1st January 2013 the Non-Sterling Cash Fee will be £1.50 for each applicable transaction regardless of the amount withdrawn.

VISA converts transactions into sterling using the VISA Exchange Rate on the day it processes the transaction. This date may be different to the day on which the transaction took place. Historic exchange rate information is available on www.visaeurope.com

When using your debit card abroad some merchant terminals or ATMs may offer you the choice of paying for your transaction in sterling. If you choose to pay in sterling the 2.75% Non-Sterling Transaction Fee will not apply, but you should always try to find out what the merchant or ATM provider's commission charges are and what exchange rate they are using, as overall it may be more expensive to pay in sterling.

International Bank Account Number (IBAN) and Bank Identification Code (SWIFTBIC)

Your IBAN and SWIFTBIC are shown on the front of your statement. By using them you could reduce charges when receiving international payments in euros. Find out more at: business.barclays.co.uk/bb/ibanInformation.

In response to new banking legislation, we're creating a ring-fenced bank in the UK. Our ring-fenced bank will have a new Bank Identification Code (BIC). As a result, International Bank Account Numbers (IBANs) for all customers and clients moving to our ring-fenced bank will change during 2017/2018. We'll redirect any affected incoming international payments for 36 months. You can confirm your IBAN at any time by searching for 'IBAN generator' on barclays.co.uk. Find out more here: home.barclays/ring-fencing-explained.

Additional information

Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Barclays Bank PLC also trades under Barclays, Barclays

Bank, Barclaycard, Barclays Business, Barclays Capital, Barclays Corporate, Barclays Stockbrokers, Barclays UK & Ireland Private Bank, Barclays International Private Banking, Barclays Premier, Barclays Private Bank, Barclays Wealth and Woolwich Mortgages. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.
