Dear Trustees,

Your Statement for the period 6 October 2020 to 5 January 2021 is enclosed and shows all the product wrappers held within your Novia Account. If you have both a joint Novia Account and an individual Novia Account, a separate statement pack will be sent for each.

Your Statement provides a view of your investments and includes:

- / A **Summary** showing all the product wrappers held within your Novia Account
- / A **Transaction Summary** for each product wrapper showing Investments, Money In, Withdrawals, Novia Charges, Adviser Charges and Discretionary Fund Manager Charges
- / **Corporate Actions** that have taken place
- / **Valuations** for each product wrapper
- / A section showing **Detailed Trades**.

Your Statement provides a view of your overall investment position for your records. You have received this printed Statement because you have not activated your Investor Zone login. If you can't find your activation email and want to enjoy the convenience of Investor Zone, simply contact the Client Services team on 0345 680 8000 to have a new activation email issued.

Our records show you do not currently have an FCA regulated financial adviser registered for your Novia Wrap Account. Until you have appointed a new financial adviser, we will be unable to action any requests to change your investments (other than simply selling your investments to cash or transferring out to another provider). Our standard charges will now apply to your Novia Wrap Account. Full details of the Novia Charges can be found in the Novia Charges Schedule and more information is available in our Terms and Conditions.

It is important that you understand the impact of remaining invested without an Adviser. We recommend that you obtain appropriate advice to understand your options and review your choices, particularly for retirement.

You can find details of regulated advisers online at www.unbiased.co.uk. For pension advice, you can contact Pension Wise. Pension Wise is a free, impartial guidance service which has been introduced by the Government to help all consumers understand their options. Guidance can be accessed on the internet, telephone or face-to-face. To find out more, go to www.pensionwise.gov.uk or call their free phone number 0800 138 3944.

The designated Statement Line 01225 747 141, is open Monday to Friday from 8.30am to 5pm.

Thank you for using the Novia service and we look forward to assisting you with future investments.

Yours faithfully,

Bill Vasileff

Changes effective 1 April 2021

Important Notice:

We have made some changes to your Terms and Conditions and Charges Schedule, please see the amendments below.

Section 1 – General Information

1.6.2 To reduce risk and to achieve better interest rates we diversify client money deposits by using other banks and we may utilise overnight and term deposits. All interest earned on client money placed with HSBC or other banks will be paid directly to Novia. Cash balances in your Cash Facility may earn interest at rates determined by us and published on our website at www.novia-financial.co.uk. Any Interest payable to you will be calculated daily and credited to your Cash Facility on a monthly basis. The interest paid to you is dependent upon a number of factors including the interest rate paid by the banks and the relative proportion of your money placed on overnight deposit. Novia will retain the difference between our published prevailing rate and the fluctuating average bank rate received by us.

1.6.3 In the event that the Bank of England moves its base rate to a negative rate we may charge interest on Cash balances in your Cash Facility. This will reflect any increases to the costs we face in placing client money with HSBC and other banks. Any interest we charge will be limited so far as reasonably practical to covering these costs. The interest rate we charge will be determined by us and published on our website at www.novia-financial.co.uk

Section 4 – Cash Facility

4.6 You must ensure that your Adviser maintains a minimum cash balance of 2% of the value of the relevant Product Wrapper in the Cash Facility at all times. Where the cash balance in one Product Wrapper falls below 2%, Novia reserves the right either to transfer Cash or sell Assets, excluding Assets held in a Novia Stockbroker Account, non-daily dealt Assets and non-standard Assets, firstly from any GIA, or secondly any ISA you have to make up the short fall.
