IMPORTANT DOCUMENT - DO NOT DESTROY

Annual Interest Summary

This summary details interest credited to this account between 6 April 2014 and 5 April 2015. This will help you complete your tax return for the tax year ending on the 5 April 2015.

If you wish to reclaim tax deducted, the Inland Revenue will require a Tax Deduction Certificate which your branch will be pleased to supply.

TAX YEAR

6 April 2014 - 5 April 2015

Gross Interest Paid (no tax deducted)

£46.01

Notes

If your account has changed from joint to sole or vice versa during the tax year or one party to the joint account is a non tax payer, this would be reflected in the amount of tax deducted, you may need to refer to your statements to help work out the amount of interest and tax paid by each person.

The items and balance shown should be verified.

Details of all rates and calculations of any interest charged are available on request to your branch. In addition, details of interest rates can be obtained via the savings interest rate line 0345 300 0268.

Unfortunately, we cannot produce an Annual Interest Summary automatically for passbook accounts. If you require an Interest Statement for a passbook account please contact your branch.

If the interest on your current account is paid monthly and is less than 5 pence, your interest may be shown above as Gross. This means without any tax deductions. This is because tax is not calculated until it is a full penny or more and no further action needs to be taken.
