Dear Alan,

We enclose the following for your attention:

1. Tax Returns (2016, 2017, 2018).
2. Schedule of data.
3. Personal tax computations.

Tax Returns

This has been prepared based on the information known to us.

The flexible drawdown from the Carlton James retirement pension scheme in the year to 5 April 2016 has been declared to resolve the unpaid tax liability that has arisen during the year.

Tax consequences

Based on the information disclosed your tax position can be summarised as follows:

2015/16

Final

31.01.17 33,594.80

2016/17

Final

31.01.18 (6,570.00)

2017/18

A total outstanding liability of £27,024.80 therefore arises in total over the three years of Returns to be submitted to HMRC.

Once these returns have been submitted, a claim can be made to HMRC to cease the need to submit a Tax Return from 2018/19 onwards, subject to any changes in circumstances. This claim will be at the discretion of HMRC.

If you have any questions please do not hesitate to contact us.

Yours sincerely
