Dear Becki and Curtis,

For information only, we have made a slight amendment to the Completion Statement to ensure that the Pension Fund proceeds can be split precisely 50-50 between you both. This has been achieved by just simply re-allocating 1p of the Indemnity Policies split differently between the Pension Fund and the Executors payment on completion. Therefore, the amount going into each of your accounts on completion will be £981,663.39.

Georgina, as discussed on the phone with Helen, if you could kindly confirm receipt of the completion funds tomorrow, that would be appreciated.

Kind regards, Annabel
