

Pension Scheme Return & Event Questionnaire

Information required for the pension scheme return

The scheme administrator is required to complete a pension scheme return for the tax year. We undertake this as part of our pension scheme service to the trustees. The return is over 11 pages long. In addition, there may be an event report due, presently there are over 16 different event reports that may arise.

We have condensed the information needed into a short questionnaire. Please check the appropriate box and return this form to us. If there are any parts of this form that you are unsure of please contact your scheme consultant.

What happens next ?

We will complete the returns to HMRC and if necessary the Pensions Regulator. We may need some further information from you for this. We will then draft your annual report, which will include the member benefit statements, this will also contain a copy of the information issued to HMRC.

This report can be provided at the trustees meeting, this will also give you the opportunity to discuss any requirements or ideas regarding your scheme and our service. If you do not require a trustee meeting then we will only send the trustees report to you.
