This document sets out the charges and interest that have accrued on your account within the above period. There are 5 types of charge:

1. **'Monthly maintenance fee'** - please see the Community Account Important Information Summary for information on the monthly fee.
2. **'Transaction charges'** - these are incurred when you make certain types of transaction - please see Community Account Important Information Summary for further details.
3. **'Cash charges'** - incurred when you bank or withdraw cash - please see Community Account Important Information Summary for further details.
4. **'Instant Overdraft Charges'** - these are incurred as follows:
 - When a transaction creates or increases an instant overdraft - debit interest at 25% EAR* is charged and we may make a 'paid item charge'; and
 - When we refuse to allow a transaction because it would have created or increased an instant overdraft - 'unpaid item charges' may be charged.
5. **'Agreed Overdraft Charges'** - these are incurred when you use your agreed overdraft facility - debit interest (as set out in your agreed overdraft facility letter) is charged. Please see Community Bank Account Important Information Summary for any additional charges applicable to your account. Should you require information about the calculation of debit interest (if any) deducted from your account and detailed in this statement please contact us.

Should you have any queries regarding your statement or any transaction on your statement, we love to hear from you. Please call us on 0345 08 08 500 (or +44 20 3402 8312 outside the UK), or visit one of our stores.

*EAR stands for Effective Annual Rate and illustrates what the interest rate on the overdraft would be if interest was charged and added to the amount owed once each year. It does not take into account fees and charges.
