I refer to my telephone conversation with Jackie Cooke. Please find attached the Scheme Rules, the certified Trust Deed and the HMRC screen print as requested. The scheme is a one Trustee, one Member scheme so it is not registered with The Pensions Regulator. Registration is only required for pension schemes with two Members or more.

If you require any further documentation to be completed in order that the transfer can be concluded, please advise me accordingly.

Please acknowledge safe receipt and that the documentation is all in order.

Thank you for your assistance in this matter.

Yours faithfully
