LS27 9SE

18 March 2008

Dear Craig,

Scheme No 0464

Please find enclosed a certified copy of the HMRC certificate for the receiving scheme in addition to a letter confirming acceptance of the transfer value.

We do not require the Trustees to complete any transfer in paperwork however we do require a confirmation of the transferring scheme PSTR number.

The Trustees of the receiving scheme will advise you separately of the scheme bank details for the transfer value.

Yours sincerely

Gavin McCloskey
