Hi Esther

Yes, we do.

I've just read the Trust Deed. Jordan's residence is incorrect, he lives at 15 Winterbrook Lane (same as the business address).

Are there any restrictions with the witness signatures? There are 3 spaces for witnesses, do they all have to be different? I presume we can't witness each other's.

Will read the remaining docs today and let you know if I have any further questions.

Let me know.

Thanks
