Please check your statement to make sure everything's correct.

If there's anything you're unsure about please get in touch or if you've changed any of your contact details, you need to let us know.

**Building Society** 

#### Interest, Rates and Fees

We work out overdraft interest each day and take it from your account each month. We calculate the total in-credit interest for a month on the last day of each calendar month and apply it to your account on the first day of the next month.

Unless stated otherwise, all rates and fees are variable and we can change them at any time.

If we have to give you notice of a fee or interest we'll let you know by including a 'Notice of Charges' page with your next regular statement, and we'll take the amount from your account 28 days after the statement date.

Since 6 April 2016, interest is paid without tax deducted and may count towards your Personal Savings Allowance. For more information please visit HMRC website altmrc.gov.uk

**AER** stands for Annual Equivalent Rate and shows what the interest rate would be if interest was paid and compounded once a year.

**Gross p.a.** is the interest rate without tax deducted.

Our **per year compounded** interest rate shows the rate of interest that you'll pay on your overdraft over a year and takes account of the fact we charge interest each month on your balance and this will include any interest which has already been added to your account previously.

#### Receiving money within the UK

To receive sterling payments into your account, the person making the payment will need to quoteyour sort code and your 8 digit account number, which you'll find on the front of your statement. Entering account numbers incorrectly can mean payments being misdirected, so please be sure to provide the correct details.

#### Receiving money from outside the UK and receiving money from within the UK in a currency other than sterling

SWIFT - someone making a payment to you must quoteyour Bank Identifier Code (BIC) and International Bank Account Number (IBAN). The BIC and IBAN are the international equivalents of your UK sort code and account number. An international payment will also need to quote the SWIFT Interneciary Bank number as we're using the routing services of an Agent Bank. You'll find this number along with your BIC and IBAN on the front of your statement.

SEPA Credit Transfer - someone making a payment to you must quoteyour International Bank Account Number (IBAN). Your IBAN is found on the front of your statement
