Dear Mr Fabian

**Scottish Widows Retirement Account - 41283182**

Thank you for your recent request for information regarding the transfer value of your Retirement Account. Please find details below.

**Transfer Value**

<b>Date of Valuation</b>	<b>10 May 2022</b>
<b>Transfer Value - Retirement Planning</b>	<b>£23,385.45</b>
and	
<b>Transfer Value - Retirement Income</b>	<b>£122,499.77</b>
<b>Total Transfer Value</b>	<b>£145,885.22</b>

**Notes**

- Any transfer values shown above are based on the latest information available to Scottish Widows, and are not guaranteed. Remember, the value of assets and investments can go down as well as up.
- Exchange rate fluctuations can cause the value of investments denominated in foreign currencies to fall or rise.
- We have assumed that the assets and investments held in your Account can be readily realised, and the proceeds received by Scottish Widows, by the date of transfer. If this cannot be achieved in practice, there may be a delay in payment of the transfer value.
- With the exception of Adviser Charges, any other charges and expenses which cannot be collected from the relevant Control Account(s) will become a deferred charge. If there is a deferred charge in a relevant Control Account, it will automatically be settled from the disinvestments made into the Control Account to provide the transfer value. This will reduce the amount available to be transferred.

- The actual transfer value will be calculated in accordance with your policy provisions, and will depend on the proceeds received from realising the assets and investments held in your Retirement Account. The value of assets and investments can go down as well as up, so the actual transfer value may be less or more than the value shown.
- Any changes made to your Retirement Account before the actual transfer value is calculated may affect the transfer amount.

If you wish to proceed with a transfer, you will be required to complete the enclosed Declaration of Claim Discharge form. This should also be completed by the receiving pension scheme/provider. Once the form is completed, it must be returned to us so that we can arrange the transfer.

If you have any queries or would like to contact us, please call on 03457 166 733.

Yours sincerely

**Notes**

- Any transfer values shown above are based on the latest information available to Scottish Widows, and are not guaranteed. Remember, the value of assets and investments can go down as well as up, so the actual transfer value may be more or less than that shown above. The actual transfer value will be calculated in accordance with your policy provisions and will not be known until the date of transfer.
- We have assumed that the assets and investments held in your Account can be readily realised, and the proceeds received by Scottish Widows, by the date of transfer. If this cannot be achieved in practice, there may be a delay in payment of the transfer value. Certain assets may be more difficult to realise than others, for example commercial property.
- For some in-specie transfers, there may be a delay in making the transfer payment depending on the types of assets involved.
- With the exception of Adviser Charges, any other charges and expenses which cannot be collected from the relevant Control Account(s) will become a deferred charge. If there is a deferred charge in a relevant Control Account, it will automatically be settled from the disinvestments made into the Control Account to provide the transfer value. This will reduce the amount available to be transferred. A transfer cannot proceed whilst there is a deferred charge outstanding in the relevant Control Account(s).

- Any changes made to your Retirement Account before the actual transfer value is calculated may affect the transfer amount.
