I refer to our telephone conversations and your fax.

I confirm that the benefits being paid on the transfer are within the limits prescribed by the rules of the scheme.

There may be a special allowance charge on the member, which will be met by the scheme. This has no bearing on the company making the payment and is a matter between the member and the scheme.

I confirm that the benefits being paid on the transfer and also on the monthly contributions through to April 2011 are within the limits of the scheme rules.

I trust that this clarifies your queries.

I would be very grateful if you would now sign this off at your end so that the payment can be made. Kathie is very keen to avoid any further delay in the payment being made as this must all be concluded tomorrow.

Thank you for your assistance in this matter.

Yours sincerely

Brad Davis
