Pay off a "Buy Now, Pay Later" plan by the end date and you pay no interest. If you don't pay in full by the end date, you'll be charged interest on the daily balance from the date of purchase. However, if you choose to make payments without clearing the balance, the earlier you pay the less interest you'll be charged. Pay up to 50 days later on everything. The length of pay later periods can vary depending on how much you spend and when your statement is produced. Please be aware that product prices can change or be discounted at any time. Discounted products must meet the minimum spend amount to qualify for a Buy Now, Pay Later plan, otherwise the plan will not be available. The limited time Buy Now, Pay January 2017 plan ends 07/06/16
