Dear Sirs

Railways Pension Scheme South West Trains Section
Mr F F Irvine YZ357110C

Thank you for sending the completed transfer discharge forms along with the supporting documentation.

To enable us to consider the transfer we require the member to complete the Pensions Liberation Questionnaire in full and provide proof that independent financial advice has been provided along with the Independent Financial Adviser's FCA registration number. I have written to Mr Irvine to request this information.

If you have any questions please contact me.

Yours sincerely

Daniel Pentland
