Dear Mr Irvine

### **Railways Pension Scheme South West Trains Section**

Thank you for sending the completed Pensions Liberation Questionnaire along with the Suitability Report.

To enable the transfer to be considered please provide written proof from your Financial Adviser that financial advice has been provided based on the transfer quotation dated 24 October 2016. Please also ask them to confirm their FCA registration number.

Please arrange for this to be provided within the next 28 days to avoid a recalculation of the transfer value.

If you have any questions please contact me.

Yours sincerely

*Daniel Pentland*
