Dear Mr. Davis

Pension Trader Accounts (PTA) – Updated portfolio numbers

Thank you for your help and support during our recent initiative to review the information we hold on PTA accounts. This exercise has now been completed for your accounts.

As a result of updating the information held, some of the older accounts have been allocated new portfolio numbers. These are shown overleaf, along with the previous portfolio number. We are also contacting the scheme member(s) to inform them of their new portfolio number.

Please use these portfolio numbers on all future correspondence.

Please do not hesitate to contact our helpdesk on 0845 609 5555* if you have any questions.

Yours sincerely,

Alastair Thaw
Director, Barclays Stockbrokers
