How we calculate your gas charges m3 to kWh conversion

	Date	m3	Correction factor	Calorific value		kWh	Rate (£)		Price	
	04/11/16	45.3	x 1.02264	x 39.5	÷ 3.6 =	508.295	x 0.03120	=	£15.86	
Total usage charges								=	£15.86	

A correction factor of 1.02264 is applied to account for fluctuations in temperature and pressure of gas in the UK.

The Calorific value is the amount of energy released when gas is burnt. The quality of gas varies slightly every day so the average Calorific value for the statement period is used when calculating the number of kilowatt-hours used

First Utility

About your bill

Your bill has been designed using feedback from industry bodies including Ofgem, Citizens Advice Consumer Services and Which?, with the aim of making it clear and easy to understand. We continue to develop our energy bills in line with customer and industry feedback.

If you have a Smart Meter or if you submit a meter read every month then we will send you a bill based on your actual energy usage. If you don't have a Smart Meter or if you are unable to submit a meter read every month then your bill will be estimated.

For more information on how we estimate bills please visit the Help and Advice section of our website www.first-utility.com

Our commitment to you

At First Utility we are committed to providing you with a valuable and reliable service. Our codes of practice set out our full commitment to you, including advice on energy efficiency and a comprehensive complaints handling process to solve any problems. Please visit our Help & Advice section of our website www.first-utility.com

If you need to make a complaint

It's easy to get free, independent advice so that you "Know your rights" as an energy consumer. You might want to get a better deal, find out how to make a complaint, get advice about the quality of your electricity or gas supply, or ask for help if you're struggling to pay your bills. To "Know your rights" visit www.citizensadvice.org.uk/energy for up to date information or contact the Citizens Advice consumer service on 03454 04 05 06 (or Citizens Advice Scotland on 0808 800 9060).

If you do need to make a complaint, you should contact our Customer Services Team in the first instance on 01926 320 700. They will do their best to resolve your complaint, but if you feel your complaint has not been handled to your satisfaction, you may then speak to our Customer Case Specialist Team.

If you remain unhappy with our resolution of your complaint, or if your complaint has not been resolved within 8 weeks of the date you told us about it, you may refer the matter to the Ombudsman Services: Energy on 0330 440 1624 or at www.ombudsman-services.org/energy. They are free and independent, and we are bound by their decision.

Additional Support - our Priority Services Register

If you are of pensionable age, suffer from long term ill-health, or if you have a visual or hearing impairment, we will provide you, free of charge, with information on free services that may be available to you. These are tailored to the needs of our vulnerable customers. Our obligations are set out in our statement "How do I register for priority services?" and in our policy "Helping Vulnerable Customers". Both are available on our website. Call us on 01926 320 700 or Typetalk on 18001 01926 320 700 to find out more or to register for any of these services.

Paving Your Bill

The easiest way to pay your bill is by Direct Debit. We tell you in advance when each payment will be made, so you remain in control. Payments made by a method other than Direct Debit may incur a charge of up to £24 per year.

To set up a Direct Debit payment

To set up a Direct Debit simply fill out the form below and return it to us at the address shown. Alternatively, call us on 01926 320 700.

Online payment by Credit/Debit card

If you have an outstanding balance on your account you can make a secure payment online using a credit or debit card. Simply log on to your account by visiting www.first-utility.com and clicking on 'My Account'.

Paving at a hank

Cash payments can be made over the counter at any Natwest branch. Simply fill out the Giro slip if provided. Please include your customer account number as a payment reference.

Paying by cheque

If you want to make a payment by cheque please allow at least 2 working days before the due date for us to receive your payment. Cheques should be made payable to "First Utility Ltd" and sent to First Utility, PO Box 4360, Warwick, CV34 6DB. Please ensure you write your account number on the reverse of the cheque and remember to attach a stamp.

Our fuel mix

To see how we generate your electricity supply, and its environmental impact, visit our website at www.first-utility.com under "About us" or search "our fuel mix"

Moving home?

Don't forget to let us know!

We need the date of your move, your final meter reads and your forwarding address. Call us on 01926 320 700

Understanding your bill

Climate Change Levy (CCL) If you are a business customer CCL is a tax on energy. Its aim is to encourage users to improve energy efficiency and reduce carbon emissions.

Correction Factor The change in pressure of the gas from sea level to the gas supplier requires a correction factor to be applied. Calorific Value Gas is charged on the amount of energy (heat) that it releases. The calorific value is applied to convert the units of gas you have used in volume to the actual amount of energy used.
