Pension Scam Prevention

The Occupational and Personal Pension Schemes (Conditions for Transfers) Regulations 2021, introduced in November 2021, build upon the Government's measures to combat pensions scams.

The Regulations set out the two conditions (First Condition in Regulation 7 or the Second Condition in Regulation 8) that must be satisfied before a cash equivalent may be used in a specified way or for an authorised purpose, as the case may be, by any transferring trustee or scheme manager. Your transfer request to the above Scheme met the relevant required condition.

For further information on these Regulations speak to your financial adviser or the (UK's) Money Advice and Pensions Service at www.moneyandpensionservice.org.uk

(Please note that the above does not apply for Transfer plan S32 plan holders).
