I/We considered the Barclays Customer Agreement and other documents which the Bank has provided and resolved that:

1. the Business/Association
  - (a) appoint Barclays Bank UK PLC (the Bank) as the Business/Association's bankers; or
  - (b) cancel the Business/Association's existing mandates to the bank (except in relation to cheques and other instructions given before the Bank receives this resolution);

2. the Business/Association accept the terms of the Barclays Customer Agreement and confirm such acceptance to the Bank by completing the Bank's form of Appointment of Bankers;
3. the Business/Association authorise any individual named in Section 2 (an 'authorised person') to:
  - (a) enter into any other agreements with the Bank (including banking facility agreements and indemnities) which they consider to be in the interests of the Business/Association from time-to-time; and
  - (b) give instructions concerning the operation of the Business/Association's bank accounts and otherwise communicate with the Bank in each case in writing or verbally, in accordance with the Customer Agreement; and
  - (c) register the Business/Association for the Bank's computer and telephone banking services.

I/We noted that if the Business/Association has registered for the Bank's computer and telephone banking services, any of the authorised person(s) acting in accordance with the current approval processes for the services would be responsible for amending the Business/Association's 'customer profile' which (among other things) determines:

- the accounts that can be accessed by computer or telephone;
- security procedures and the number of individuals required to approve each instruction issued to the Bank (approval processes);
- the individuals ('users') allowed to use the service for making payments and other purposes (within any specified limits).

I/We also noted that the Bank is entitled to act on all instructions given by a User in accordance with the correct security procedures until the company notifies the appropriate computer or telephone banking service that the User is no longer authorised to act for it.

Barclays is committed to protecting your personal data. We will use your information for a number of different purposes, for example, to manage your account(s), to provide our products and services to you and others and to meet our legal and regulatory obligations. We may also share your information with our trusted 3rd parties for these purposes. For more detailed information on how and why we use your information, including the rights in relation to your personal data, and our legal grounds for using it, please go to [barclays.co.uk/control-your-data](http://barclays.co.uk/control-your-data) or you can request a copy from us.

#### Credit Reference Agencies and Fraud Prevention Agencies

In order to process your application we will supply your personal information to credit reference agencies and fraud prevention agencies and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity. These agencies may in turn share your personal information with other organisations. If fraud is detected, you could be refused certain services, finance or employment. Once you open an account with us, we will share account data with the credit reference agencies on an ongoing basis.

If false or inaccurate information is provided to us and fraud is identified, details may be passed to credit reference and fraud prevention agencies to prevent fraud and money laundering and to verify your identity.

The Credit Reference Agency Information Notice (CRAIN) describes how the three main credit reference agencies in the UK each use and share personal data. The CRAIN is available on the credit reference agencies' websites:

- [callcredit.co.uk/crain](http://callcredit.co.uk/crain)
- [equifax.co.uk/crain](http://equifax.co.uk/crain)
- [experian.co.uk/crain](http://experian.co.uk/crain)

Or you can ask us for a copy of these.

For more details on how information held by credit reference agencies and fraud prevention agencies may be used, please go to [barclays.co.uk/control-your-data](http://barclays.co.uk/control-your-data) or you can request a copy from us.
