Please note: The 'Net amount' shown at the foot of this screen may not be the take-home pay. It is based on:

- Pay including statutory payments and payrolled benefits in kind
Less
- Employee pension contributions under net pay arrangement
Less
- Tax, National Insurance contributions and student loan repayments

If the employee has received any benefits in kind that were taxed via the payroll, or has made any pension contributions that were not under a net pay arrangement, then the amount shown below will not be the take-home pay.

There may also be other amounts that have to be taken into account when calculating the amount to be paid on pay day which are not covered by the Basic PAYE Tools. These can include amounts such as a refund of business travel costs, deductions for attachment of earnings, union subscriptions or repayment of a season ticket loan.
