Step 4 - Note User ID

Registration for Pensions

Your Online Government Account has been created.

Your User ID is: 807880565587

- You must **make a note of this User ID** as you will need it every time you log in to our Online Services along with your password.

- If you wish to **print** this information for your records, please use the print facility on your browser.

- If your enrolment is successful, within the next seven days you should receive a letter from the Government Gateway containing your User ID on a printed card.
