Why has the payment amount changed?
Having looked at your account, your tariff and
how much energy you're using we've
decreased your payments, otherwise you may
build up a credit with us. See section 4 and 5
for full details.

See our table opposite for our cheapest tariff options.

Remember - it might be worth thinking
about switching your tariff or supplier.

Switching tariffs could mean a significant change
to your terms and conditions and some tariffs have
eligibility criteria. For example, you may need to change
your payment method or manage your account online.

Some tariffs are available for a limited time only,
therefore subject to change.

Payments to your account £ 1,826.05
Spending on your account, plus any adjustments £ 2,352.17

New Balance = £ 2,352.17

Minimum Payment £ 47.00

Your nominated bank account will be debited with the full balance on 22/01/2017 or soon after. Please note that if you have Tesco direct Buy Now-Pay Later balances these will not be cleared until they expire.

Minimum Payments

If you make only the minimum payment each month, it will take you longer and cost you more to clear your balance.

If you are unable to pay the minimum payment, please contact us as soon as possible.

If you do not pay off the full amount outstanding, we will allocate your payment to the outstanding balance in a specific order, which is set out overleaf within the summary box section on allocation of payments. The way in which payments are allocated can make a significant difference to the amount of interest you will pay until the balance is cleared completely.

If you make the minimum payment of £ 47.00 and it reaches us on the due date of 27 Jan 2017, your estimated interest payment next month is £ 31.31. Please refer to overleaf for further details.
