**WHAT YOU'RE SPENDING**

**Fresh water**  
(44%) Total £13.47  
This is the good stuff that comes from  
the taps.

Your average daily spend  
**£0.78**

**Surface water and highway  
drainage**  
(29%) Total £8.70

This is the water that drains from your property  
into our sewers, and the water that drains from  
public roads into our sewer network.

**Waste water**  
(27%) Total £8.04

Any water that's been flushed or gone down a  
plughole.

That's an average of 0.18m<sup>3</sup> per day = **316 PINTS**
