## Notice to employer of employee's tax code

I am enclosing your Pay As You Earn (PAYE) coding notifications for your employees for the new tax year starting on 6 April. If you receive any tax code notifications for the new tax year dated later than these, use the code with the later date from the first pay day on or after 6 April instead.

Helpsheet P9X (2017) gives more information about these codes and what to do about employees without a new tax code. You should use this to make sure you get the tax codes right. This helpsheet can be:

- downloaded from our website, go to **[www.gov.uk/government/publications/p9x-tax-codes](http://www.gov.uk/government/publications/p9x-tax-codes)**
- ordered from the Employer Orderline on **0300 123 1074** if you are unable to access it online

## Why not go Digital and receive codes and notices online

HM Revenue & Customs (HMRC) provides a digital service for receiving your tax codes and notices online which is quick, secure and cuts out paper. You can use your own software if it lets you, or alternatively you can use the products provided by HMRC.

Go to **[www.gov.uk/pay-e-online](http://www.gov.uk/pay-e-online)** for more information about using HMRC's online service.

If you have an agent or payroll bureau that administers PAYE on your behalf they too can use our online services. For all the information you need to do it online, go to **[www.gov.uk/government/organisations/hm-revenue-customs](http://www.gov.uk/government/organisations/hm-revenue-customs)**
