Fees Explained

Monthly Overdraft usage fee - This £6.00 fee is charged in any monthly billing period where you exceed any interest and fee free amount of a Planned overdraft or buffer that you have on your account. You will only ever be charged one Monthly Overdraft Usage Fee in a monthly billing period, no matter how many times you use your Planned or Unplanned Overdrafts.

Unplanned Overdraft daily fee - The daily fee we charge you for using an Unplanned Overdraft (limited to a maximum of 8 daily fees in a monthly billing period). The amount of the fee will be worked out at the end of each day (including weekends and bank holidays) on the balance of your Unplanned Overdraft over any interest and fee free buffer. The fee is: £5.00 a day if your Unplanned Overdraft balance is £24.99 or less; £10.00 a day if your Unplanned Overdraft balance is £25.00 or more.

Returned item fee - The fee we charge when you do not have enough available money to make a payment you requested and we did not agree to give you or extend an Unplanned Overdraft to cover that payment. The fee is £10.00 for each item (no more than 3 fees a day). This fee will not be charged if the amount of the payment that we decline is £10.00 or less.

Other services - These are fees for other services you have asked for. If you have a Club Lloyds Account, the monthly fee will be shown in the transactions overleaf. These items can be found in your statement as 'Club Lloyds fee' and 'Club Lloyds waived'. You can find more details in our Banking Charges guide or at www.lloydsbank.com
