### About your payments

Your annual billing period is 30 Oct 2021 - 4 Dec 2022.

We've completed a review and calculated your Direct Debit for the year ahead. The review showed there's an outstanding amount of £206.85 that is now due. Don't worry, this balance is included in your Direct Debit, so you can pay it back across the year through your monthly payments.

Because your monthly payments are staying the same, there is nothing you need to do at the moment. We can confirm that your monthly payment remains at £154.00.

Please note, the outstanding balance would need to be paid off before you'd be able to change supplier.

If you'd like to increase your Direct Debit or make an additional payment you can do this at [edfenergy.com/myaccount](https://edfenergy.com/myaccount), or via the EDF app, or you can call us.
