Dear Mark

We have now been able to effect retrospective VAT registration for The Loft Shop Directors Pension Fund.

The registration is effective from 20 January 2010 which was the date of the completion.

We are accordingly raising an invoice (one was never produced for the completion), backdated to 20 January and including VAT at 17.5%. This is attached.

We now need to make arrangements for the pension fund to pay the amount of VAT of £47,775.00 and reclaim the same from HMRC.

I am assuming that you will be able to complete this on behalf of the fund and I would appreciate this work going ahead promptly, as currently HMRC are chasing us for this value as it was overlooked at the time.

Yours sincerely

Peter Stedman
