Dear Client

I enclose your Consolidated Tax Certificate (CTC) and supporting schedules for the period 06/04/14 to 05/04/15. It provides details of the income received on assets held in your Pension Trader Account and any tax that has been deducted on these payments at source.

Pension holders are generally entitled to reclaim tax that has been deducted in this way. Therefore, please forward this certificate to your pension administrator to process any tax reclaims that may be due.

We do not provide tax advice and we do not provide capital gains computations. If you have any questions about your CTC, you should contact your tax adviser.

If you have any questions about the information contained within the CTC and supporting schedules, please call your adviser.

Yours sincerely

Client Service Team

## Notes

- The Consolidated Tax Certificate (CTC) is a summary of the income you have been paid and the tax that has been deducted from your income. If you receive any overseas dividends, it also shows the overseas tax you have paid and net income received (after tax has been deducted). All overseas payments will be detailed in the enclosed documentation, on either the Schedule of Overseas Dividends, or the Schedule of Overseas Interest.
- The CTC also contains details of accumulations in respect of UK authorised unit trust and OEICS. For tax purposes, accumulations are considered as income. In relation to offshore funds, please see below.

Distributions by investment funds are usually one of two types - dividends, or interest, depending on the asset make-up of the fund concerned. All dividend income, including unit trust and OEIC dividend income, whether from a UK or an overseas fund, carried a non-repayable tax credit of one-ninth of the net dividend (assuming, in relation to overseas companies, that you do not own more than 10%).

- 'Group 2 Units' means fund units newly bought. They may make up only part of your holding. Equalisation represents accrued income included in the price of units (Group 2 units) bought during a distribution period. For UK funds, where Equalisation is actually paid (with a first distribution, on Distribution shares), it should be deducted from the cost of the units for CGT purposes and is not subject to Income Tax. After their first distribution, Group 2 units become categorised automatically as Group 1 units.
- Shares and units in Offshore Funds are subject to a special UK tax regime. For more information, please visit [www.hmrc.gov.uk/manuals/ofmanual/index.htm](http://www.hmrc.gov.uk/manuals/ofmanual/index.htm).
- A scrip dividend is when a company offers a dividend, but gives shareholders the option of receiving it in the form of extra shares, instead of cash. Scrip Dividends on UK companies are subject to Income Tax. Scrip dividends for non-UK resident companies, however, are treated as a reorganisation, with no immediate Income Tax or Capital Gains Tax (CGT) consequences.

For information on the Royal Dutch Shell Scrip dividend programme please go to <https://help.stockbrokers.barclays.co.uk/help/>

- **Property income dividends paid by UK real estate investment trusts ('UK-REITs')**  
Under the 'UK-REIT' regime, a UK-REIT will withhold UK income tax at the basic rate when it makes a distribution out of its qualifying property income, 'a Property Income Dividend'. It is obliged to distribute most of its profits as PIDs.
- Listed Eurobonds & Gilts - interest payments from securities listed on a recognised stock exchange are paid gross; interest on unlisted bonds is paid net.
- Whether income is paid to you gross, or under the deduction of income tax, or with a tax credit, you may have a liability (or an additional liability) to tax, depending on your personal circumstances.
- Venture Capital Trusts have been included on a separate schedule, which does not need to be included on your tax return. This schedule is for information only.
- Any income you may have had from Individual Savings Accounts (ISAs) or former Personal Equity Plans (PEPs) - now also classified as ISAs - has not been included on the CTC or the schedules, as you do not have to pay tax on it.
- HMRC accepts this certificate as evidence of the income that you have received, and the tax you have paid. You can use these figures to help with the completion of your tax return. Where applicable you should also tell HMRC about any capital gains or losses, with details of how you have calculated them.
