

Transfer Out Application

Use this form to fully transfer your benefits in cash from a Standard Life pension scheme to another UK registered pension scheme.

Guidance notes for filling in this form

References to 'Standard Life' mean Standard Life Assurance Limited or Standard Life Master Trust Co Ltd. Parts 1, 2 and 4 of the form should be completed by you as the Planholder, and Part 3 by the Trustee/Scheme Administrator of the receiving pension scheme (Receiving Scheme). You should check the details completed by the Receiving Scheme before signing and dating the form at the end.

Standard Life will not be able to proceed with your transfer request unless this form is completed fully. Complete one form for each Standard Life plan that you wish to transfer.

UK tax laws mean that tax is charged on 'unauthorised payments' that are made from UK registered pension schemes. The Pensions Advisory Service (TPAS) can help to explain the potential tax consequences for you of an unauthorised payment.

Where the value of your pension fund is greater than £30,000 and contains safeguarded benefits, legislation requires you to take advice from an independent financial adviser. Safeguarded benefits are defined as a benefit that has a promise, such as a guaranteed annuity rate or level of pension income, but does not include guaranteed investment returns such as those from with profits.

Please use BLOCK CAPITALS to fill in this form. Do not use correction fluid if you make a mistake. If you need to correct a mistake, please initial any changes you make.

Along with this form, you should also provide the following if you are intending to transfer to an occupational pension scheme or a Small Self-Administered Scheme:

- Evidence you are in receipt of earnings. If you are employed, please provide copies of your last 3 months' payslips and a copy of your latest P60. If you are self-employed, please provide a letter from a certified accountant evidencing your last 3 months' income (excluding dividends as these do not constitute taxable earnings) and a copy of your latest tax return. This is needed to help us establish whether you have a statutory right to a Cash Equivalent Transfer Value.
- A copy of correspondence from HMRC confirming the Receiving Scheme's Pension Scheme Tax Reference (PSTR) number. The Receiving Scheme Trustee/Scheme Administrator will be able to provide you with this.
- The Scheme's Trust Deed and Rules from inception of the Scheme to date, and any other Deeds e.g. Deed of Participation (workplace), Appointment and Retirement of Trustees.
- A letter from the bank providing the Pension Schemes Trustee/Administrators Account. This letter must be, on letter headed paper, confirming the full name of the account, the account sort code, the account number, the date the account was established, and the names of the accounts authorised signatories.

Upon receipt of the complete requirements we will assess your request with a view to completing the transfer. However, we do reserve the right to ask for additional information where it is deemed necessary.

Is any of your plan invested in with profits?

These investments may include potentially valuable guarantees. With profits guarantees give you some protection if investment returns are poor. Please check your last statement for details of any guarantees. If you're unsure of anything or need more information, please call us. You should also consider paying for financial advice, as the impact of giving up a with profits investment depends upon your personal circumstances.

Pension Scams

Your pension savings are in safe hands with us but pension scams are on the increase.

We are working hard to help our customers avoid these scams. Thousands of people have lost their retirement savings after falling for a pension scam. Don't be next.

If you are considering transferring your pension savings into a new scheme, consider these questions:

- Have you been motivated by a cold-call, online advert or text out of the blue, offering a 'free pension review'?
- Is the new scheme a Small Self-Administered Scheme?
- Will your pension pot be investing in unusual investments such as overseas property, car parks, unregulated investments, forestry, storage units, care homes, biofuels or businesses you don't know much about?
- Does your new arrangement require you to set up a company?
- Have you been promised guaranteed returns or a cash incentive to transfer?
- Have you been told you can access any part of your pension before age 55, other than on the grounds of ill-health?

If the answer to any of these questions is **yes**, then there's a chance your money could be at risk.

To know what to look out for or what to do if you think you're being targeted – go to the Pensions Regulator's website www.pension-scams.com

Why ask these questions? Because we want to help you protect your savings. If you have been cold-called about a transfer opportunity or you are investing in high risk, unregulated investments, it could mean that your pension savings are at risk or you are being scammed.

you take financial advice
about your transfer options
from a financial adviser
authorised and regulated
by the UK Financial Conduct
Authority to give pensions
transfers related advice.

If you take advice from
someone who is not
authorised and regulated

covered by the protections
of the Financial Ombudsman
Service or the Financial
Services Compensation
Scheme if things go wrong in
relation to the advice given.
You should also be aware that
if you take advice from a non-
UK based adviser, you may

- b. I have had the opportunity to read and fully consider this document setting out the arrangements to be made between Standard Life and the Trustees/Scheme Administrator of the Receiving Scheme.
- c. I am aware of the benefits that will be awarded in respect of the transfer value in the Receiving Scheme.
- d. I am aware that the amount of the transfer value is **not guaranteed and may fluctuate** and that the exact transfer value will not be known until the transfer date. The amount of the transfer value will represent the value of my entire interest, and my dependants' interest, in the Standard Life plan that is being transferred to the Receiving Scheme.
- e. I am aware of the details set out in this document and hereby consent to the transfer of the transfer value to the Receiving Scheme.
- f. In consideration of the arrangement made for the provision of additional benefits for me and my dependants under the Receiving Scheme, once the transfer value has been paid to the Receiving Scheme's Trustees/Scheme Administrator, my Standard Life plan will end, and I hereby discharge Standard Life of all claims, which I, and my dependants, have or may have to the benefits under the Transferring Scheme in respect of the transfer value.
- g. I am aware that in some circumstances a transfer of benefits might not be a recognised transfer under the relevant tax rules and may be treated as an unauthorised payment by HMRC giving rise to a liability to pay tax.
- h. If HMRC require Standard Life to pay tax on the transfer value because the Receiving Scheme does not comply with HMRC's requirements, I undertake to refund Standard Life the tax due by them.
- i. I am aware of the risks associated with pension scams and I hold Standard Life harmless from and against all costs, losses or expenses resulting from my decision to proceed with my transfer request, unless such an event has arisen as a result of any fraud, negligence or wrongful act by Standard Life.
- j. I confirm that any information provided about me by the Receiving Scheme or my advisers has been verified by me as factual and correct and that Standard Life is in no way responsible for any quotation or any literature issued by the Receiving Scheme or my advisers.
