Important Notes

Note 1

Please ensure the following answers are true and complete. Failure to disclose material facts (i.e. facts which would be likely to influence St. James's Place UK plc's assessment or acceptance of this application) may lead to cancellation of the contract. If you are in any doubt as to whether facts are material, full details should be provided. It is a serious offence to give false information and to do so could lead to prosecution.

Please complete all sections including the declaration in Section H unless otherwise indicated.

Note 2

General Information

1. Copies of the Terms and Conditions and this completed form are available on request.
2. Completion of the Direct Debit Instruction does NOT imply commencement of the contract. St. James's Place UK plc's Letter of Acceptance will indicate when the contract will commence.

3. The Scheme Administrator's address in Section B will be used for correspondence until we are notified in writing of any change in address.

Fund Information

Please refer to *A guide to understanding the balance between risk and reward including the St. James's Place Portfolios and funds* for information about the specific risks of individual funds.

If you are invested in a fund that holds property (for example land or buildings) or other assets that can be difficult to sell (for example private equity or private credit), we may delay certain transactions for up to six months. These transactions include requests to transfer, cash in, make a withdrawal from or switch funds in your plan. If we delay a transaction, the prices used when the transaction takes place will be those effective at the time that we allow the transaction. By investing in such a fund, you accept this amendment to your Terms and Conditions.
