- 1.1.2 terms which appear in bold italics shall have the particular meaning given to them for the purposes of the Act;
- 1.1.3 references to all or part of a section or schedule shall be taken as references to the relevant provision of the Act;
- 1.1.4 reference to any enactment or regulations shall include reference to any statutory amendment or re-enactment for the time being in force and where appropriate any subsequent related regulations or other legislation;
- 1.1.5 indices and headings are included for convenience only and shall not affect the interpretation of the Rules; and
- 1.1.6 (unless the context requires otherwise) references to the singular shall include the plural and vice versa and references to any gender shall include any other gender.

1.2 In these rules and unless the context requires otherwise:

"Adopting Deed" means the deed by which these Rules are adopted.

"Benefit" means an actual or prospective entitlement to any benefit under the Scheme (including any part of a **pension** and any payment by way of **pension**) and "Beneficiary" has a corresponding meaning.

"Dependant" in relation to a Member has the meaning it has in the Act and includes a person who was married to the Member when the Member first became entitled to a **pension** under the Scheme but excludes any person of whose existence the Trustees are unaware having made reasonable enquiries.

"Drawdown" means:

- (i) in the case of a Member, **drawdown pension**; and
- (ii) in the case of a Dependant, **dependants' drawdown pension**.

"Drawdown Fund" means any part of an Individual Fund which is designated as available for the payment of Drawdown in accordance with Rule 21 or which in the opinion of the Trustees should be so designated to reflect:

- (i) any regulations made under section 283(2), or any treatment as so designated under paragraph 8(2) of Schedule 28 or any other provision of the Act; or

- (ii) any designation existing immediately before the Rules took effect

and which in any case has not subsequently been applied towards the provision of any other benefit in accordance with the Rules.

"Enhanced Protection" means, in relation to a Beneficiary, the application of paragraph 12 of Schedule 36 in his case.

14.4.3 in securing benefits in respect of the relevant Member or Dependant in such one or more of the ways described in Rule 14.5 as the Trustees in their absolute discretion may determine having regard to the Benefits that would otherwise have been payable from the Scheme.

14.5 The ways described in this Rule are:

14.5.1 purchase of an immediate or deferred annuity from an **insurance company** on any terms;

14.5.2 payment of a lump sum permitted by the **lump sum rule**;

14.6 The determination of the Trustees as regards the application of the Fund shall be absolute and final and every Member or other recipient shall accept the amount of his benefit in respect of him in full discharge of all claims against the Fund or the Scheme and shall have no further claim whatsoever.

14.7 If the assets of the Fund include annuity contracts or annuity policies effected in the names of the Trustees or their nominees with any ***insurance company*** the Trustees shall either:

14.7.1 enter into an arrangement with the ***insurance company*** to assign them to, or transfer or secure them in trust for, the person or persons entitled to benefit under them, or

as appropriate.

- 15.2 Any Beneficiary shall without delay notify the Trustees of any event or fact which affects or may affect his eligibility to participate in the Scheme or his entitlement or prospective entitlement under it.

16 Admission to Membership

- 16.1 The Trustees may in their absolute discretion admit as a Member any **employee** of:

16.1.1 the Principal Employer;

16.1.2 any **employer** connected (within the meaning of section 161) with the Principal Employer;

16.1.3 any **employer** of an existing Member; and

16.1.4 any other **employer** specified in writing for this purpose by the Principal Employer

and any other person whose admission is in the opinion of the Trustees consistent with the Scheme's status as an **occupational pension scheme** and a **registered pension scheme**.

- 16.2 Admission to Membership shall be subject to such requirements and on such terms, whether generally or in any particular case, as the Trustees may in their absolute discretion determine.

17 Contributions

- 17.1 Subject to Rule 17.3, any person may with the consent of the Trustees make contributions to the Fund in such form (whether money or any other contribution of money's worth) of such amounts and at such times as the Trustees may in each case agree.

- 17.2 Any contribution shall be allocated:

17.2.1 to such one or more new or existing Individual Funds in respect of such one or more Members as the contributor may direct at or before the time when it is made; or

17.2.2 in the absence of any such direction, to the General Fund.

- 17.3 Any contribution by or in respect of a Member which would cause:

17.3.1 loss of Enhanced Protection or Fixed Protection for that Member; or

17.3.2 any payment from the Scheme to that Member to be (or be treated as) an unauthorised payment by virtue of the Member ceasing to qualify for Flexible Drawdown

shall not form part of the Fund or in any other way become held for the purposes of the Scheme but shall instead be held by the Trustees on trust for the relevant contributor absolutely, unless before the making of that contribution the Trustees and the Member have agreed explicitly in writing that this Rule 17.3 shall not apply.

18 Multiple Individual Funds

18.1 The Trustees may at any time treat any existing part of a Member's Individual Fund or any new contribution in respect of a Member as a separate Individual Fund, in which case it:

18.1.1 shall constitute a separate Individual Fund for the purposes of the Rules (including without limitation this Rule 18.1) and the Rules shall be applied to each Individual Fund separately; but

18.1.2 in the case of a Member with Enhanced Protection or Fixed Protection, shall not constitute a separate **arrangement** for the purposes of the Act unless the Member and Trustees expressly agree.

19 Benefits for Member

19.1 Any Uncrystallised Fund of a Member shall be:

19.1.1 applied to pay a **pension commencement lump sum** of such amount (consistent with the Act) as the Member may request; and

19.1.2 (as to any remainder) designated as available for the payment of Drawdown in accordance with Rule 21

on such date as the Member may select, being not earlier than the earliest date on which:

19.1.3 the Member reaches his **normal minimum pension age** (or any **protected pension age**); or

19.1.4 the **ill-health condition** is met.

20 Benefits following death of Member

20.1 On the death of a Member the Trustees shall apply his Individual Fund in such one or more of the following ways as the Trustees in their absolute discretion may determine:

20.1.1 designation as available for the payment of Drawdown for one or more surviving Dependents in accordance with Rule 21;

20.1.2 payment of one or more **lump sum death benefits** in accordance with Rule 22;

20.1.3 reallocation in accordance with Rule 23;

- 20.1.4 to the extent it can not be applied in accordance with the preceding provisions of this Rule 20.1, allocation to the General Fund.
- 20.2 On the death of a Dependant for whom Drawdown was being provided in accordance with Rule 21 following the death of a Member, the Trustees shall apply the Dependant's Individual Fund in such one or more of the following ways as the Trustees in their absolute discretion may determine:
 - 20.2.1 designation as available for the payment of Drawdown for one or more other Dependents of the Member in accordance with Rule 21;
 - 20.2.2 payment of one or more ***lump sum death benefits*** in accordance with Rule 22;
 - 20.2.3 reallocation in accordance with Rule 23;
 - 20.2.4 to the extent it can not be applied in accordance with the preceding provisions of this Rule 20.2, allocation to the General Fund.
- 20.3 If a Dependant, for whom Drawdown was being provided in accordance with Rule 21 following the death of a Member, ceases to be a Dependant, the Trustees shall apply the Dependant's Individual Fund in such one or more of the following ways as the Trustees in their absolute discretion may determine:
 - 20.3.1 designation as available for the payment of Drawdown for one or more other Dependents of the Member in accordance with Rule 21; or
 - 20.3.2 reallocation in accordance with Rule 23;
 - 20.3.3 allocation to the General Fund.

21 Drawdown

- 21.1 The Trustees shall pay out of an individual's Drawdown Fund to the individual such amounts and at such times as the individual may specify, provided that:
 - 21.1.1 no payment shall be made if it would not qualify as Drawdown; and
 - 21.1.2 the Trustees may impose such restrictions as to timing and minimum and maximum amounts of payments as they reasonably consider appropriate.
- 21.2 For the avoidance of doubt and without limiting their powers under this Rule 21 or more generally, the Trustees shall not be obliged to make any payment of Flexible Drawdown unless:
 - 21.2.1 the individual has made such declarations, and has provided such relevant documents or other evidence or information, as the Trustees may in their absolute discretion require; and
 - 21.2.2 in the opinion of the Trustees, sufficient provision has been made for any appropriate deductions under Rule 6.3 or Rule 25.4 or otherwise.
- 21.3 Any declaration made to the Trustees in connection with Flexible Drawdown shall be treated as made to the Scheme Administrator for the purposes of the Act.

22 Lump Sum Death Benefits

22.1 On the death of an individual, any part of his Individual Fund to be applied in accordance with this Rule shall, subject to Rule 22.2, be paid to such one or more of the following and in such proportions as the Trustees in their absolute discretion may determine:

22.1.1 the individual's Relatives;

22.1.2 any person for whom Drawdown may be provided on that death (whether actually provided or not);

22.1.3 (on the death of a Member) any person or body nominated for this purpose by the Member;

22.1.4 (on the death of a Dependant) any person or body nominated for this purpose by the relevant Member (or if the Member made no nomination, the Dependant);

22.1.5 any person entitled under the individual's will to any interest in the individual's estate;

22.1.6 the individual's **personal representatives** (but not if the payment would then pass as bona vacantia).

22.2 Any amount to be paid to a person under Rule 22.1 may instead at the absolute discretion of the Trustees be paid² in any other way for the benefit of that person, including without limitation payment to the trustees of any trust (including any other **pension scheme** or any discretionary trust) for the benefit of persons including that person.

22.3 The Trustees shall have the power to declare or otherwise establish any trusts for the purposes of Rule 22.2, on such terms as the Trustees in their absolute discretion consider appropriate. For the avoidance of doubt Rule 10 shall apply to any costs, charges or expenses incurred in doing so.

23 Reallocation to Unconnected Members

23.1 On the death of an individual, any part of his Individual Fund to be applied in accordance with this Rule shall be reallocated to such one or more Individual Funds of unconnected Members and in such proportions as the Trustees in their absolute discretion may determine.

23.2 The Trustees may admit any person as a Member to qualify for any such reallocation, even if that admission occurs after the death of the relevant individual.

23.3 For the purposes of this Rule 23, a Member is unconnected if, immediately before the death of the relevant individual, he and that individual were not connected for the purposes of section 172B.

24 Alternative Application of Individual Fund

24.1 The Trustees may at any time at the request of a Member or Dependant (or, where the Member or Dependant is deceased, his **personal representatives**) apply all or any part of his Individual Fund:

24.1.1 (in the case of a Member during his lifetime) to confer on a Dependant an entitlement to Benefits after the Member's death or in any other way that may constitute a surrender or agreement to surrender for the purposes of section 172A but does not cause the Scheme to be treated as making an **unauthorised payment**;

24.1.2 to provide any one or more of the benefits permitted by the **pension rules, lump sum rule, pension death benefit rules or lump sum death benefit rule** and not otherwise permitted by the Rules;

24.1.3 to provide benefits of any kind other than a **payment**; or

24.1.4 to make **unauthorised payments** of any kind

to or for the benefit of the Member or Dependant or any other person, and in place of any Benefit that was, or would have been, otherwise payable from such part of such Individual Fund.

25 Payment of Benefits, Deduction of Tax

25.1 Any Benefit shall be paid by bank transfer or otherwise in monetary form, but with the consent of the relevant Beneficiary may instead be paid by way of transfer of all or any part of any asset of the Fund or of any interest in such asset or any other transfer of money's worth.

25.2 If the Trustees have taken out an insurance policy with an **insurance company** to meet any obligations to pay Benefits then those Benefits shall be payable only if and to the extent that the Trustees are able to recover payment under the terms of the insurance policy.

25.3 If and for so long as a person entitled to a Benefit is a minor, or in the opinion of the Trustees unable to act by reason of mental disorder or otherwise, the Trustees may pay or direct the payment of the Benefit to any one or more of his parents, guardians, spouse or other person legally appointed or authorised to receive it on his behalf to be applied for his benefit. Any such payment shall operate as a complete discharge to the Trustees and they shall not be under any liability to enquire into its application.

25.4 Without prejudice to Rule 6.3 or any other provision of the Rules, the Trustees shall be entitled to deduct from any payment made to any person or body (including any allocation or reallocation within the Scheme of any amount for the benefit of any person or any other act which may be deemed to be a payment for any purpose of the Act), or from any part of the Fund to which the payment relates, a sum equal to any charge to tax to which the Trustees or Scheme Administrator are, or may become, liable as a result of the payment (whether by virtue of the payment being a **scheme chargeable payment** or otherwise) and shall remit the amount to the appropriate office of HMRC.

- 25.5 Where the Trustees are uncertain of the extent of any tax liability, they may at their absolute discretion either deduct such amount as they may determine or postpone the payment.

26 Application of the General Fund

- 26.1 The Trustees may at any time apply all or any part of the General Fund to:

26.1.1 meet any amounts described in Rule 10 (Costs of the Scheme) not already met in accordance with that Rule;

26.1.2 create or augment any Individual Fund or otherwise provide new or increased benefits, either immediate or prospective, for any person;

(subject to any restrictions imposed by the Act or by section 37 or 76 of the Pensions Act 1995), make payments to one or more **sponsoring employers** or in any other way which in the opinion of the Trustees is consistent with the status of the Scheme as a **registered pension scheme**.

27 Preservation Requirements

- 27.1 Any preservation requirements (within the meaning of section 132 Pension Schemes Act 1993) which apply to the Scheme shall be deemed to form part of the Rules and shall override any other provision of the Rules with which they conflict.

28 Notices

- 28.1 Notices to the Trustees or Scheme Administrator shall be given in writing and shall not be effective until actually received. Any Trustee or Scheme Administrator may waive all or part of these requirements in relation to any notice to be given to him.

29 Recovery, Forfeiture, Assignment, Surrender etc

- 29.1 The Trustees shall not be obliged to seek to recover any overpayment of benefits but may do so at their absolute discretion, whether directly or by set-off or otherwise, but subject in each case to the remainder of this Rule 29.

- 29.2 Any Benefit may be forfeited, reduced, assigned, commuted, surrendered or charged and a lien or set-off may be exercised in respect of it only:

29.2.1 as permitted by this Rule 29; or

29.2.2 in any other circumstances either permitted or not prohibited under section 91 or section 92 of the Pensions Act 1995.

- 29.3 The Trustees may in their absolute discretion determine that all or any part of any Benefit shall, even if it would otherwise belong absolutely to the relevant Beneficiary, be:

29.3.1 reduced (subject to the conditions in Rule 29.4) for the purpose of discharging some monetary obligation due to the Scheme or to a **sponsoring employer** from the Beneficiary and arising out of a criminal, negligent or fraudulent act or omission by him, or

- 29.3.2 reduced (subject to the conditions in Rule 29.4) for the purpose of discharging some monetary obligation due from the Beneficiary to the Scheme and arising out of a payment made in error in respect of the Benefit, or (if he is a Trustee) arising out of a breach of trust by him;
- 29.3.3 forfeited if the Beneficiary fails to claim it within six years of the date on which it becomes due;
- 29.3.4 forfeited if the Beneficiary attempts to assign, charge or alienate it or it otherwise becomes the subject of a transaction or purported transaction which under section 91 of the Pensions Act 1995 is of no effect; or
- 29.3.5 forfeited if the Beneficiary has been convicted of one or more offences, which are committed before the Benefit becomes payable, and are offences under the Official Secrets Acts 1911 to 1989 for which the person has been sentenced on the same occasion to a term of imprisonment of (or to two or more consecutive terms amounting in the aggregate to) at least 10 years, or offences of treason, or other offences prescribed for this purpose.
- 29.4 The conditions in this Rule 29.4 are that:
- 29.4.1 the amount of any reduction must not exceed the amount of the monetary obligation in question;
- 29.4.2 the Beneficiary must be given a certificate showing the amount of the reduction and its effect on his Benefits;
- 29.4.3 where there is a dispute as to its amount, the reduction must not be applied unless the obligation in question has become enforceable under an order of a competent court or in consequence of an award of an arbitrator or, in Scotland, an arbiter to be appointed (failing agreement between the parties) by the sheriff; and
- 29.4.4 no reduction in respect of a monetary obligation due to a **sponsoring employer** shall be applied to any transfer credits other than prescribed transfer credits.
- 29.5 Any part of an Individual Fund representing an amount forfeited or reduced or surrendered in accordance with this Rule 29 shall become part of the General Fund except that, in the case of a monetary obligation due to a **sponsoring employer**, an amount not exceeding the amount forfeited may, if the Trustees so determine, be paid to the **sponsoring employer**.
- 29.6 Terms given a specific meaning for the purposes of sections 91 to 95 of the Pensions Act 1995 shall have the same meaning where they are used in this Rule 29.
- 30 Pension Sharing**
- 30.1 The Trustees shall discharge any liability in respect of a person acquiring a **pension credit** in such one or more of the following ways as they in their absolute discretion shall think fit:

- 30.1.1 admitting that person as a Member in accordance with Rule 16.1 and determining for that person an Individual Fund equal in value to an amount representing that credit;
 - 30.1.2 making a transfer payment in respect of that person in accordance with Rule 12.1.2 (as if the reference to Beneficiary included that person and as if the reference to Individual Fund were to an amount representing that credit);
 - 30.1.3 applying an amount representing that credit towards the purchase of an appropriate policy from, or entry into an appropriate contract with, an **insurance company** in respect of that person.
- 30.2 The Trustees may at their absolute discretion reduce either or both of:
- 30.2.1 the amount representing the credit; and
 - 30.2.2 the Individual Fund subject to the corresponding **pension debit**
- by an amount or amounts representing in aggregate all or any part of the costs, charges or expenses incurred in connection with the credit (whether in the provision of any relevant information, the implementation of any relevant order or otherwise).
