Dear Sirs

Uniq plc Pension Scheme (the 'Scheme') – payment of CETV to MGII Retirement Scheme
Member: PJ WORDLEY - WTW Reference: 0012115

The above named member has transferred their benefits from the Scheme to your pension arrangement.

At the time of the transfer we explained that once the Trustee had completed the data and benefit cleanse it was engaged in at the time, there was the possibility of a further 'top up' CETV payment being available. As part of the Warranties given at the time of the transfer, it was confirmed that the receiving scheme would accept a top up CETV. The Trustee's data and benefit cleanse exercise is now complete and as a result an additional top up CETV is now available in respect of the above member.

The amount of the top up CETV available is **£27,801.00**

Please can you confirm that the receiving scheme will accept the top up CETV payment by signing and returning this letter overleaf, providing bank account details to which the payment should be made and returning it to the Scheme administrator either by post or email to the following:
