THE ML & S MARTIN LYNCH & SONS EXECUTIVE PENSION SCHEME

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 APRIL 2013

The trustees have pleasure in presenting their report and the financial statements for the year ended 30 April 2013.

Nature of the scheme

The pension scheme is a small self-administered money purchase scheme providing retirement and death benefits to three officers of ML & S Martin Lynch & Sons Ltd. At present there is one member in the scheme. The scheme has exempt approval status from HMRC and the trustees are not aware of any reasons why such approval should be withdrawn.

Trustees and advisers

The names of the current trustees and the scheme advisers are shown on page 1. There have been no changes in either the trustees or the scheme advisers during the year.

The existing trustees are responsible for the appointment of trustees. A trustee can retire from office at any time. As the scheme is a small self-administered scheme, one of the trustees is a pensioner trustee. Currently the role is carried out by Pension Practitioner.com Ltd.

Benefits review

The scheme provides for the actual level of contributions to be decided by the employer and for benefits for the member to be those secured by the scheme's assets, subject to the limits imposed by the Inland Revenue.

Scheme members may also contribute to the fund but none has done so as at the year-end.

The normal retirement date is determined for each member by the employer, subject to the Inland Revenue rules. The employer will inform the members of their normal retirement date on entering the scheme.

If a member were to die before retirement, the member's share of the fund would be available to provide a lump sum and/or a pension within the limits specified by the Inland Revenue to the appropriate beneficiaries.

THE ML & S MARTIN LYNCH & SONS EXECUTIVE PENSION SCHEME

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 APRIL 2013

Trustees' responsibilities

Under regulations made under the Pensions Act 1995, the trustees are required to obtain accounts for each financial year which give a true and fair view of the financial transactions of the scheme during the scheme year, the amount and disposition of the assets at the end of the scheme year, and the liabilities of the scheme, other than the liabilities to pay pensions and benefits after the end of the scheme year. Such accounts must also contain the information specified in the Regulations.

The trustees are also responsible for keeping records of their meetings and of the financial transactions of the scheme, and for safeguarding the assets of the scheme and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Both members of the scheme now qualify and are drawing retirement benefits.
