We've designed this statement to help you to understand your retirement savings. Over the next few pages we'll summarise how your plan has performed over your statement period, the charges you've paid and how the future might look.

You can find out more about how a pension works and the options you have at yourplan.royallondon.com. If you need help making decisions about your retirement savings, it's a good idea to speak to a financial adviser.

YOUR ANNUAL RETIREMENT SAVINGS AT A GLANCE

Now let's take a look in a little more detail at how your retirement savings have changed over this period.

SHARE IN OUR PROFITS

As a member of Royal London, we think you should share in our success. That's why, when we do well, we aim to add a share of our profits to your plan. We call it ProfitShare. Your ProfitShare award for this year is **£1.74**. The total value of your ProfitShare to date is **£1.90**.

GOVERNMENT TOP UP

For every **80p** you contribute to your plan, the government adds an extra **20p**. No strings, just good old-fashioned tax relief. If you're paying more than **20%** tax, you could be entitled to claim more tax relief through a self-assessment form.
