

# Unit 2, Rear of 25 Somers Road, Rugby, CV22 7DG - Plan 1

This plan has been produced in response to the enquiry referred to in the title address and should not be used for any other purpose, as its accuracy cannot be guaranteed. This plan is based on Ordnance Survey mapping and therefore only shows the general position of the boundaries, not their exact line. Vehicular rights cannot be assumed or implied from this plan. If roadside ditches are present, the legal presumption without evidence to the contrary is that these do not form part of the publicly maintainable highway. The highway boundaries depicted on this plan are based on currently available evidence. Whilst the County Council as highway authority believes the information to be correct it should be noted as a matter of highway law that only a Court can issue the definitive interpretation on matters of highway status and extent.
