Dear Sirs

**Baker Group of Companies Retirement Benefits Scheme (the Scheme)**  
**Transfer Settlement      Member Name: Phillip Mason**

Thank you for completing and returning the Transfer Out Forms.

The transfer of benefits from the Scheme to the Mason Family Pension Scheme has now been completed and the transfer value of £227,930.00 will be paid by BACS into your designated account. The payment will be sanctioned in the next 1-2 working days and will then take a further 3-5 working days to clear into the receiving scheme's bank account.

This transfer value is paid on the understanding that all information given and received by Capita is factually correct. If any material information has changed since your response, please contact Capita immediately.

Payment of the transfer value has now removed any liability for the benefits included in the transfer value in respect of the member and any dependants from the Scheme.

Please contact me if you need any more information.

Yours faithfully

**PP Katie Reeves**  
**Pension Operations**
