Transfer Details:

Calculation date: 19 August 2022

The total current value is £50853.76.

The value of units is £51367.44.

The value is not guaranteed. We will calculate the value and surrender the units on the date we receive the transfer form. If you have any other cover under the policy we will cancel them at the same time.

In exceptional market conditions, we reserve the right to defer the allocation, cancellation or switching of units if that is in the best interests of all policyholders. For funds that are directly or indirectly linked to investments in property, this may be for up to 6 months where it is not possible to sell the buildings or land quickly. For all other funds this is for up to 1 month. If we need to do this, we will inform you and let you know what your options are.

Policy Details:

This policy provides benefits from a Registered Pension Scheme under Chapter 2 Part 4 of the Finance Act 2004.

No retirement benefits have been paid out from this plan and we are not aware of any flexible retirement benefits taken from any other scheme.

HM Revenue & Customs Maximum Tax Free Cash Details:

You should speak to the administrator of your new pension scheme, or your financial adviser, if you have a "protected" tax free cash sum entitlement above 25% of the value of your pension fund. This is to ensure that you understand how the transfer may affect that benefit when you retire.

Notes:

Protection against the Lifetime Allowance Charge

If the amount of an individual's pension savings exceeds a generous "Lifetime Allowance" set by the UK Government, the amount of those pension savings in excess of the Lifetime Allowance may be subject to a tax charge of up to 55%.

Individuals with pension savings that already exceed, or may at some stage exceed, the Lifetime Allowance have been given opportunities to apply to HM Revenue and Customs for protection against that Lifetime Allowance tax charge.

To qualify for protection against the tax charge, the individual must have applied personally to HM Revenue and Customs and, if successful, will have been issued with a certificate. HM Revenue and Customs' protection certificate will give specific detail of that person's protection against the Lifetime Allowance tax charge and also, if applicable, any entitlement to a protected pension commencement lump sum (tax free lump sum).

The pension provider will need to see HM Revenue and Customs' protection certificate when the individual takes retirement benefits and when some other transactions are made.

A Guide to Completing the Transfer Application Form:

- The enclosed Transfer Application Form should be completed only if you are transferring your pension to a UK pension scheme. If you are transferring to an overseas pension scheme please call us for the appropriate form.
- Please ensure you complete the Transfer Application form carefully, as we will not be able to accept it as your valid instructions if incomplete.
- Please ensure you have completed all questions, signed and dated the Declaration section.
- Please do not use any correctional fluid on these forms. In the case of a mistake please cross through the error and sign next to the change made.
- Please return all pages of the Transfer Application Form, other than this guide and the notes.

Conditions for Transfer:

Regulations have changed and your transfer now needs to meet one of two conditions before your request can be processed:

- The First Condition: transfers made to certain receiving schemes (authorised master trust, public service pension scheme or a collective money purchase scheme)
- The Second Condition: transfers into all other receiving schemes, including occupational or overseas schemes. We will need to check that there are no warning flags indicating a pension scam. If warning flags are present, you may have to seek transfer guidance from MoneyHelper, a free and impartial service. In some circumstances, your transfer may be stopped to protect your pension savings.

Whilst most transfers will meet one of these conditions automatically, there may be occasions where we need to request additional information in order to establish whether the transfer is permitted under regulation. For example, under the second condition, we may need evidence of an employment link for occupational schemes or a residency link for overseas transfers.

Further Information:

If you have any questions please call us on the telephone number shown above and we will be happy to help you. Alternatively you can write to us at the above address.

Please note that ReAssure Ltd is unable to give you any financial advice. If you require advice we suggest you contact an Independent Financial Adviser to discuss your personal circumstances.
