CLIENT REFERENCE - BBL/78205

Dear Mr Greenhough,

I write to you today to provide you with further clarity regarding the liquidation process of **Dolphin Trust/German Property Group**. My previous correspondence highlighted that unfortunately due to difficult lines of communication with BBL Law, our company has been appointed by the High Court, to finalise the UK division of claims relating to the German administrator BBL Law. Whilst we understand majority of clients have completed a Financial Services Compensation Scheme (FSCS) claim and managed to receive compensation via the FSCS. We are legally bound to ensure the liquidation process is finalised in due course, we must therefore inform you it is a legal requirement for all clients to additionally submit a PR01 form to assist with the liquidation process.

As you are aware you have been formally identified as a preferential creditor of the Dolphin Trust/German Property Group and we have received notice from our accounts team that you are one of the few clients who are yet to return your PR01 form referencing your loan note.

For further clarity the PR01 form allows us to run searches within the holding accounts that would have been registered on your behalf when the initial investment was made, this will allow us to identify if any of your investment funds are still within the holding accounts and whether you are eligible to lodge a secondary claim directly towards the Dolphin Trust/German Property Group.

Please contact our claims department on **0170 288 6805** for further assistance regarding your PR01 form. You will need to quote your client reference.

Please consider this an urgent matter which will require a swift response, as we will no longer be able to assist any clients past 30/09/23.

Yours sincerely,

K.Sparrow
