Dear Sir/Madam,

- Return of Income Tax and Capital Gains Tax for 2018 - submit by 31 October 2019.

Your payment obligations are as follows:

- **Preliminary Income Tax for 2019** - pay by 31 October 2019 a minimum of 90% of the final tax liability for the current tax year or 100% of the final tax liability for the preceding tax year or, for Direct Debit cases only, 105% of the final tax liability for the pre-preceding year (this option does not apply where the pre-preceding Income Tax liability is nil).
- **Balance of Income Tax for 2018** - pay any balance of Income Tax due by 31 October 2019.
- **Capital Gains Tax 2019** - pay 100% of the Tax due by **15 December 2019** for disposals between 1 January 2019 and 30 November 2019 inclusive and by **31 January 2020** for disposals between 1 December 2019 and 31 December 2019 inclusive.

Late payments of tax are liable to a statutory interest charge.

When making an Income Tax payment, please complete the payslip carefully, we have listed some points to bear in mind:

- **Preliminary Income Tax 2019** - enter the amount you now wish to pay. If you consider you have no preliminary tax liability enter a single zero '0'. If you are already paying preliminary tax by direct debit you should leave this box blank or enter any amount over and above the direct debits payments that you now wish to pay.
- **Balancing amount 2018** - Indicate the balancing amount of Income Tax due, if any. If a credit is due to you rather than you having to pay Revenue, please tick the credit box.
- **Total Net Amount** - Calculate the net Income Tax amount payable based on the amounts in the two previous boxes. If because of a credit due for 2018 the net amount is negative or nil, leave this box blank. Pay the total net amount due by completing the Single Debit Authority on the left of the payslip below.

If you both file your return **AND** pay the taxes due using Revenue Online Service (ROS) you get additional time - the deadline is extended to 12th November, 2019. Information on how to file and pay your return using ROS is available on the Revenue website at www.revenue.ie.

Yours faithfully,
Joseph Howley
