Dear Emily,

Abject apologies for delay of paperwork, unfortunately 2019 has been ,and still is, a lousy year; John is suffering from a very bad bout of arthritis, and all other sorts of problems he can hardly walk, he is in pain most of the time, so I am acting as his carer, and driver to hospitals and clinics, I think we have covered most fo Sussex,Surrey and Kent seeing consultants, doctors etc which obviously takes time and is very worryng,

So having various accounting problems landing on the mat such as, the owner of our little property sent us the bill for major repairs and we passed them on to our tenant for payment as their lease to our tenant included all repairs. I wont go into the bones of this controversy;but it took time sorting it out at completely the wrong time

I have been through .back computer work and agree with you about the missing service payment, so if you will sent me a copy of invoice I will pay by return. If you wish to send your bank account particulars ei.I wii send it via bank.

I have sorted out paperwork as best I can if there is anything missing let me know, Steve is taken over as administrator as wilth looking after John I find I cannot give the paperwork the attention it deserves.

Just a thought, we never received any report on the meeting with Gavin last year, perhaps the invoice was with that correspondance.

Any problems we are still at the same address.

(Please note that we have changed our server and our LANDLINE telephone number has changed to 01903 950308)
