Dear Ms Reidy

RAC (2003) Pension Scheme
Transfer of Pension Rights – Mr P Senior (NE315935C)

Thank you for forwarding the completed discharge forms confirming that Mr Senior wishes to proceed with the transfer of his benefits under the RAC Scheme to the Moorfield Garage Ltd SSAS.

As the discharge form was received outside the 3 months guarantee period, the transfer value has been recalculated. The total revised transfer value is £48,191.30.

Please find enclosed a cheque for £48,191.30 in settlement of Mr Senior's benefits.

I can confirm that payment of the transfer value has discharged the Trustees of all liability, both present and future in respect of Mr Senior's membership of the scheme.

Please note that the benefits have been equalised and the PSTR number is 00088857RD.

Yours faithfully

Fraser Russell
