Your annual Savings Promise Statement is here

Dear Mrs Greenaway,

Here's your annual Savings Promise Statement pack. Inside you'll find:

- Your Annual Savings Promise Statement, which shows you how you've saved with us over the year.
- A simple guide to all the savings accounts we offer. Showing you details of our range of savings accounts each year is one of our seven Savings Promises. You can read our other promises for savers overleaf.

Government changes to help savers

We know low interest rates have made it tougher for savers. However, this year the Government introduced some positive changes which could offer additional tax relief.

- First, a new Personal Savings Allowance (PSA) launched on 6 April 2016. This means that, depending on your income tax rate, you could earn up to £1,000 worth of interest a year without paying tax on it. Learn more at nationwide.co.uk/psa
- Second, Individual Savings Accounts (ISAs) are now more flexible. This means that, depending on your ISA provider, you can now take money out of your ISA and put it back in, without it reducing your remaining ISA allowance. Find out more at nationwide.co.uk/isasexplained

Thank you for continuing to save with us.

Yours sincerely,

Richard Napier
Divisional Director, Mortgages and Savings

Your statement balance:

£1,933.31

This is the total amount held across your Nationwide savings accounts as at 30 Apr 2016

On top of the new Personal Savings Allowance, make the most of the annual ISA allowance of up to £15,240.

High Street Savings
Provider of the Year
