Dear David,

**Pension Scheme Loan to North West Marble & Granite Limited - Richard Williams and Michael Connett**

We understand that you hold a First Charge over the above company in the form of a debenture, but that you are prepared to release the company's stock from the said debenture in order to allow the pension scheme to take a First Charge over the value of the company's stock to the value of £107,000.

We would be grateful if you could please send us a signed Warranty to this effect.

Thank you for your assistance in this matter

Yours sincerely
